morpheus

Based on the sixth mudra
defined by The Mother,
“Truth must conquer
and dominate falsehood”

The super morpheus logo is a
stack of elements representing
truth, and the quality of its progress.
It’s a slight abstract take on sixth mudra,
also interpreting as steps of the temple of high truth.

It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as opposed to using' Content here, content here', making it look like readable English.
